NEWSLETTER FOR SEVERN VALE RIDING CLUB

ISSUE 12 | SUMMER 2014

Welcome

It's the end of another really busy club year. We held some great events with open dressage, show jumping and our members only Horsemasters event. There's also our showing show in September. We are still seeing the same faces helping at shows, so if you haven't helped at anything this year, please put yourself forward.

Our teams continue to go from strength to strength, bagging two team places at the championships in Lincoln in September. It's been great to see so many new faces taking part too! Let's hope we can match the same success at the winter competitions.

Our AGM is just around the corner. Come along, hear about what we've been doing, and have your say on how the club's run. You might even win a trophy. Full details below.

The AGM signals the time to renew your membership. You can now do this online at www.severnvalerc.org.uk. So no need for paper forms and payments, unless that is how you prefer to do things.

You can now also order club clothing from our website. Initially we're offering gilets, polo shirts and jackets. More about this inside.

See you soon!
SVRC Committee

AGM

Our Annual General Meeting is booked for Wednesday 24 September at the Miners Club in Coalpit Health. The meeting will start at 7.30pm. Be good to see as many of you there as possible. As usual the bar will be open and we're asking people to bring a dish with them for an American Supper. Please remember to bring back any trophies you've won with the club this year. And if you re-join at the meeting, you'll save money on your membership.

Showing show

Our showing show is back and better than ever. To be held at Home Farm in Tockington, it's jam-packed with classes.

There's in-hand and ridden classes, working hunter, mountain and moorland, riding horse, foreign breeds, show cobs and show ponies, as well as dressage, clear round jumping and gymkhana. Champions and reserves from each class will stand for supreme champion.

The show is open to all. The full schedule can be found on our website. Entries are open now and close on 7 Sept.

As always we rely on member support to run this show, so please put yourself forward if you haven't helped this year.

Contact Kathryn Hannam if you have any questions. Or Yvette if you can offer help.
